Due to the re-development of the Museum of London's Lecture Theatre at London Wall, it has been necessary once again to re-locate the 2009 Archaeology Conference to the Wilberforce Lecture Theatre in the Museum of London Docklands at West India Quay. This has also made it necessary to increase the ticket prices to cover costs. We hope that our regular audience will bear with us.

Furthermore, because the Wilberforce Theatre has a capacity of only 146, it will be necessary to restrict ticket applications to LAMAS Members only for the first three weeks following publication of this notice. We very much hope that Non-Members will understand, and that they will consider joining LAMAS as a result!
