Ref: 25/3777/LBC – Laurel Farm House, Totteridge Green, London N20 8PH

The London and Middlesex Archaeological Society (LAMAS) promotes London's archaeology, local history, and historic buildings. The LAMAS Historic Buildings and Conservation Committee reviews applications for listed building consent and seeks to ensure a sustainable future for vital aspects of London's built heritage.

The Committee has studied the amendments recently made to application 25/3777/LBC, on which we commented on 23rd October 2025. An effort has clearly been made to meet the objections relating to the linking of the house and garage, and the setting of the listed building; it would help our assessment of this if we could see the new layout proposed for the vehicle access across the front of the house.

We note however that the comments made by the Society for the Protection of Ancient Buildings about the internal alterations proposed have not been met, and therefore, with them, we maintain our objection.
